

MedThree Insurance Group - Annual Survey and Charity Winner

Dear Broker,

Thank you once again for taking time from your busy schedules to complete our survey. We take your feedback very seriously and although there is always room for improvement, we are grateful and humbled that you feel we are doing a good job.

As part of our annual survey, we asked you to give the name of a charity, that if chosen, we would donate \$250 towards. We were thrilled to see the hearts of many of you who had the same type of cause in mind.

Feeding and caring for others was the common denominator. There is no doubt, that COVID has brought the best out of everyone.

Here is this year's winner:

Living Rock Youth Resources
